NAPCO SECURITY TECHNOLOGIES has been a long-time trusted source for school security solutions, in some of the best known, largest public & private schools & districts across the country for decades, from Los Angeles Unified, to Beverly Hills & Houston ISD; and universities from NYU, Stonybrook & Columbia in the East, to Pepperdine & Stanford in the West, and countless others in between.

And now, to be sure you can implement better security ASAP, and take the necessary next-steps to safeguard your school & its occupants, we created the first- ever NAPCO School-Safe Now P.L.A.N.,™ where you can literally Pay Later during your budget cycle, BUT Act Now to deploy needed improvements, to secure the students, school & staff better, with the top-rated, proven school solutions you choose. *Get with the P.L.A.N. today – Why wait until there's an emergency or event?*

NAPCO has easy-to-deploy, retrofit or update, mechanical, electronic & integrated systems to address all kinds of schools, applications & construction. We provide solutions for controlling access, managing visitors, threat-levels, and lock-down by door, classroom, or across a campus, in as little as a few seconds. Our lock-down systems can be controlled via teachers' keyfobs, Apps &/or school server and may include visual flashing Strobe. And our enterprise security management systems can integrate it ALL, incorporating many existing systems &/or cameras, onsite or remotely from an App or web browser – inclusive of video, physical security, access control and lockdown by area, school or campus. We offer door-propping alarms to avoid persons or contraband bypassing security; as well as life safety code-compliant security and fire alarm systems & security-system-reporting, that replaces obsolete, expensive phone land lines, with faster cellular/IP solutions, to speed first response and potentially save lives, while saving schools thousands of dollars annually.
